

When I tried to call my local Sinclair station to file a response, the phone rang and rang and rang. Then a voice said "Memory is full". I was unable to leave a message. I am against the Bush campaign arrogantly trying to air "Stolen Honor". Their anti-Kerry tactics have stooped to a new low! I fear the loss of our democracy with Bush/Cheney in power! Pull the plug on them!!!

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Instead of something produced at "News Central" far away, it's more important that we see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
